Darlington Rotary has been helping and supporting its community for nearly 100 years.

It is part of Rotary International, a global network of 1.2 million neighbours, friends, leaders, and problem-solvers where people unite and take action to create lasting change across the globe and in its communities.

Darlington Rotary

Darlington Rotary has around 80 members who use their skills and experience to benefit the community, here and abroad.

It is part of Rotary North East, which comprises more than 50 clubs and groups and hundreds of members across the region.

We meet weekly in Darlington, usually on a Friday lunchtime, but the last Friday of the month is a breakfast meeting, popular with those who work.

Our activities

We have a number of committees which you can choose to join:

International Committee – supporting projects overseas

Community Service – supporting local projects with practical help and fund raising

Youth Service – supporting youth activities and visits to other local organisations, companies and groups

Club Service – supporting the smooth running of the club and social events

Foundation – supports the work of Rotary International's own charity

We also have affiliated young people's groups

Rotaract  for 18 to 30 year olds

Interact  for 14 to 18 year olds

Rotakids  for 7 to 11 year olds

Each year we give away tens of thousands of pounds to good causes, raising the money through annual events, such as a sponsored bike ride, golf tournament, Christmas tree recycling and wine tasting, and through one off projects.

We sponsor events such as the Darlington Young Citizen of the Year and Young Musician of the Year.

We give practical help to organisations who can ill afford to do it themselves.

We support many local charities, as well as international projects, such as End Polio Now.

We help where others can't. If you care about your community, like to network, meet new people, and have fun - join us.
